

Martin's Point Marina Dock Slip Reservation Application

- Annual full-year leases will run from March 1, 2020 to February 28, 2021.
- A \$600.00 check, payable to MPHOA, must be submitted with each application. All applications that cannot be accepted will have checks returned.
- If a boat listed on the application will not fit in a slip due to beam or draft requirements, we will notify the owner when the application is received.
- **All applications must be received no later than February 15, 2020.**
- If fewer than eight (8) people request a full-year slip, the remaining slips will be offered on a prorated, first-come/first-served basis.
- After this reservation is accepted, and a change is required, please notify Seaside Management and the Director of the marina will contact you. Boat owners may not sub-lease or grant slip use to anyone without the permission of the MPHOA Board of Directors.
- Boat owners with leased slips are fully responsible for their boats while at the Marina. Should you or your boat incur damage to any portion of the docks, you will be responsible for payment of repair(s).
- In the event of bad weather, you must secure your boat or remove it from the water to prevent damage to the docks or the other boats at the Marina. **You must remove your boat from the water if a storm warning is issued.**
